

## Maximise your Success in the UK Market With you Every Step of the Way

Planning to enter the British market or are you interested in developing your UK business further?

Work with Konduit to operate in one of the strongest and most "open for business" regions in the world.

We can help you achieve your objectives as your

British team to win profitable business and to achieve your full market potential swiftly and cost-effectively. You can also use your UK base as a springboard into Europe and other English-speaking markets, creating many more opportunities for your company.

### Looking for new customers or business partners? We provide you with

- Market sector scan
- Competitor analysis
- Customer search and management
- Sales partner selection and support
- Marketing planning and activities
- Trouble-shooting

### Do you want to establish a local presence? We assist you with

- Setting up a subsidiary
- Mergers and acquisitions
- Joint-venture partners
- Legal advice
- Tax advice
- Recruitment
- Target marketing
- Sales and account management
- Interim management
- Commercial property
- Accounting and administration
- Finance and funding

You can also count on us for back office support, including opening bank accounts, translations, leasing and insurances as well as bespoke sales and negotiation training. In fact, everything you need to get you up and running as quickly and efficiently as possible.

Contact us today to discuss your plans - we look forward to hearing from you.
